

Have you been on the receiving end of NYCHA's neglect?

For example:

- Has your apt or building been in need of repairs?
- Has NYCHA failed to address your repair need in a timely fashion?
- Has NYCHA or its representatives (for example, your Housing Assistant) ignored your requests for rent adjustments or other supports?
- Has NYCHA failed to clean your building (regularly) or distribute information or supplies adequately during the COVID-19?

**We are working with residents
to hold NYCHA accountable!**

**Reach out to Lead Organizer, Stan Morse,
to learn more and get involved.**
